

COMPOSTING TOILET PRODUCT GUIDE

SELF-CONTAINED UNITS

SELF-CONTAINED COMPOSTING TOILETS

CLIVUS MULTRUM CM2 WITH CHAMBER SCREEN (CM2 CS)

SKU: CM-02CS

2 people full time | **12V 5W** | **Stabilised LDPE**

The CM2 CS comes with 2 x 32 litre containers that on average will collect about 2-4 weeks worth of material (depending on use). It comes with a **chamber screen**.

Perfect for weekenders, off grid living, tiny homes, sheds and more.

FEATURES:

Compact and self-contained

Easy to install and low maintenance

100% waterless and natural

2 compost chambers are included for 2 people full-time.
More compost chambers can be purchased for increased capacity.

PACKAGE INCLUDES:

- 2 x 32L Composting chamber with lid & handle
- White pedestal with chamber screen
- Starter kit: 12 volt 5 watt fan in housing, 240V-12V transformer, 1 x 125ml Nature Flush Enzymes & spray bottle, 2 x Bag of Nature Quick Microbes, 2 x Bag of bulking agent and "Who Gives a Crap" toilet roll, and Easy to follow DIY Installation and Maintenance manual.

SOLAR OPTION:

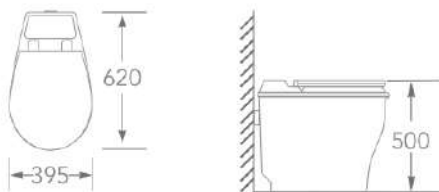

40W solar package available to purchase

MAINTENANCE:

Once installed there is no need to disconnect anything because, unlike other low-cost waterless composting toilets, the NL2 pedestal remains in place with only the internal compost chamber changing.

NATURE LOO NL2

SKU: NL-NL2

2 people full time | **12V 5W** | **Stabilised LDPE**

The NL2 is a great entry level composting toilet that is easy to install yourself and just as easy to use.

Perfect for weekenders, off grid living, tiny homes, sheds and more.

FEATURES:

Compact and self-contained

Easy to install and low maintenance

100% waterless and natural

2 compost chambers are included for 2 people full-time.

NATURE LOO MINI

SKU: NL-MINI

1 person full time | 12V 5W | Made in Australia

Waterless toilet. The sterile urine is kept separate from the solids and is directed into a small bathtub sized gravel absorption trench or holding tank/container.

Perfect for: Tiny homes, weekend home and more.

FEATURES:

- Easy to install
- Low maintenance
- Sits directly on the bathroom floor
- Stylish design

PACKAGE INCLUDES:

- White pedestal made of solid marine-grade fibreglass with chamber screen
- Conventional white toilet seat (Soft Close)
- 1 x Collection bin (20L)
- Starter kit: Compostable bags; 12 volt 5 watt fan in housing, 240V-12V transformer, moisture trap & vent cowl; 1x 125ml Nature Flush enzyme & spray bottle; "Who Gives a Crap" Toilet Roll and Easy to follow DIY Installation and Maintenance manual.

SOLAR OPTION:

40W solar package available to purchase

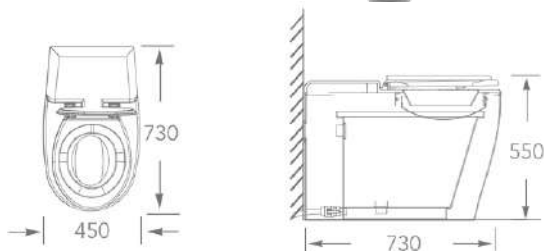

MAINTENANCE:

This toilet only requires emptying twice a month based on 1-2 people using full time.

NATURE LOO EXCELET WITH CHAMBER SCREEN (EXCELET CS)

SKU: NE-XLCS2

1-3 person full time | 12V 5W | Made in Australia

The Excelet CS comes with a dual action chamber screen and two composting chambers. This is Nature Loo's premium self-contained model.

Perfect for: residential use, off grid situations and more.

FEATURES:

- Comes with chamber screen to obscure the view into the compost chamber
- 2 compost chambers are included for 2 people full-time. *More compost chambers can be purchased for increased capacity.*
- Certified to AS/NZS 1546.2-2008 standards

PACKAGE INCLUDES:

- It comes with a dual action chamber screen
- Fibreglass (marine grade) pedestal matching solid white seat
- 2 x 55L plastic compost treatment chambers (46 cm high x 41 cm diameter x 59 cm long) false floor for drainage of excess fluid
- Starter kit: 12 volt 5 watt fan in housing, 240V-12V transformer, 1 x 125ml Nature Flush Enzymes & spray bottle, 2 x Bag of Nature Quick Microbes, 2 x Bag of bulking agent and "Who Gives a Crap" toilet roll, and Easy to follow DIY Installation and Maintenance manual.

SOLAR OPTION:

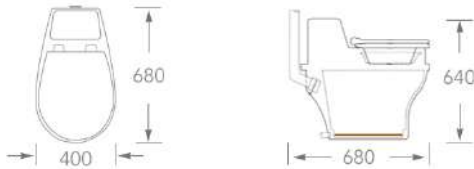

40W solar package available to purchase

MAINTENANCE:

The 'In-Service' compost chamber will need to be changed on a regular basis. The rate of filling will depend on the number of users. When the chamber becomes full, you will need to swap it with a new or previously composted chamber.

ECOLET NE SLIMLINE

SKU: M-30NE

2 people full time | **12V 2W** | **Stylish design**

The EcoLet™ NE Slimline is supplied with two exchangeable composting bins.
